PROJECTS & TECHNICAL EXPERIENCE

FrontEnd Developer

Lexington, KY

Personal Website Portfolio

September 2026

- Designed and developed a personal portfolio website using HTML and CSS to showcase technical projects, programming skills, and professional experience.
- Implemented custom layouts, navigation, interactive hover effects, and CSS animations to create a modern, user-friendly interface.
- Applied responsive web design principles to improve website accessibility and usability across different screen sizes. (Include this bullet once you've implemented and tested mobile responsiveness.)

Java Developer & Owner

Lexington, KY

Minecraft Java Server - MC PvP Nights

Mar 2026 - July 2026

- Developed a custom Java plugin that plays in-game sound alerts for staff broadcasts and private messages.
- Used the Paper/Spigot API to integrate sound effects with server commands and player messaging events.
- Built and tested the plugin in IntelliJ IDEA, debugging server-side event handling and command interactions.
- Used Git and GitHub for version control, code sharing, and collaboration with another developer.
- Used Git and GitHub for version control, feature development, code review, and collaboration with another developer.

MATLAB Lead Programmer

Lexington, KY

UKY Hydroponics Water-Planting System

Aug 2025 - Dec 2025

- Received “Exceptional Design Implementation” recognition for the overall build, system’s reliability, usability and functionality.
- Collaborated with Mechanical and Electrical Engineering teammates to integrate hardware systems with software automation for a compact hydroponic device.
- Designed and programmed MATLAB-based control systems for pump activation, pH regulation, and sensor data monitoring.
- Built a user interface (UI) that visualizes sensor data and automates plant-growth functions.

WORK EXPERIENCE

Toku Revolving Sushi

Lexington, KY

Waiter & Host & Onboarding Specialist

Dec 2024 - Present

- Welcomed and seated 100+ guests per shift, creating a positive first impression that improved customer satisfaction.
- Achieved the highest tip record in the restaurant, demonstrating exceptional service quality and customer relationships.
- Ensured timely, accurate food delivery that reduced errors and improved table turnover.

Apple

Lexington, KY

Retail Product Specialist

Aug 2024 - Jan 2025

- Guided customers through product selection, troubleshooting and scheduling, helping maintain Apple’s reputation for premium service.
- Received 30+ positive customer reviews and uplift recognizing quality service and product expertise.
- Collaborated with 40+ teammates to maintain seamless store operations during peak hours, while ensuring workspace stayed clean, organized and welcoming for customers.
